Rewards for the Many Not Awards for the Few

On 28 November, NICS management will gather in the long gallery at Stormont for the NICS Awards 2019.

The awards include Customer Service, and Project, Policy & Operational Delivery.

In other words, the work that civil servants carry out each and every day but for which we have been underpaid and undervalued for a decade. There is also an '*Unsung Hero*' award. **We are all unsung and underpaid heroes.**

NIPSA is calling on all members to demonstrate your anger by **withdrawing your labour for one hour at 3 p.m. on the 28 November** to give a clear message to your employer that,

#Enough is Enough

The message from NIPSA members must be loud and clear:

“We Want a Pay Rise not a Paperweight”
