

free!

Like to brush up on your learning?

It may have been a while since you have been in a learning environment, and the thought of education might be quite daunting.

Essential Skills **free** courses offered by NIPSA Union Learning are a great first step back on the learning ladder, and are **free** to all NIPSA members.

Maybe you would like to strengthen your arithmetic, become more confident with grammar, spelling and writing, increase your skills with computers, or expand your knowledge of Trade Union Issues.

It could be this is the first step to further learning, it's good to get a solid foundation that you can build on for further study.

Just fill the form overleaf to get started today!

Essential Skills and Trade Union courses
