Union Learning
...a fresh opportunity to learn

Have you thought ahead to when you officially retire from work?

We spend more than half of our life at work – Have you thought about what you are going to do and do you have a plan for what will now replace your work?

Do you have a hobby or interest that you would like to start or continue?

How can NIPSA help you!

Union Learning is about encouraging people to return to learning for whatever the reason may be. Many people whatever their age, their qualifications, their background or their experience in the past of learning or the education system can benefit from Union Learning.

This leaflet is to draw your attention to another service that NIPSA can give to you.
