Young people are a vital part of the local and global community who share common interests and ambitions. Stand with NIPSA Youth in our fight to:

Young People in the Union

- Increase membership and organisation amongst young workers.
- Encourage young members to become active at all levels in the union.
- Promote NIPSA amongst young workers.
- Equip young members with the tools to reach out to other young workers.
- Have a Youth Committee member/youth contact in every branch.
- Raise awareness in NIPSA of priorities for young workers throughout the union.

Young People in the Workplace

- Ensure that all young people are paid a living wage as a basic minimum.
- Ensure that young workers are treated with respect, free from bullying, harassment and discrimination.
- Oppose the use of zero-hour contracts.
- Organise and activate young people to campaign and lobby the Northern Ireland Assembly to secure principles for:
 - ▶ Real apprenticeships in all sectors.
 - ▶ Genuine and sustainable employment opportunities for young people.
 - ▶ Proper training opportunities for all young people.

Young People in the Global Community

- Promote Solidarity, Equality and Social Justice.
- Ensure fair, sustainable employment for young people; free access to education; access to fully funded health and social care; access to fully funded social housing of a decent standard.
- Oppose all forms of prejudice, discrimination and oppression of any person for any reason.
- Oppose sectarianism.
- Build links with other trade union and community youth groups internationally.
- Support and promote international human rights campaigns and the work of NIPSA's Global Solidarity Committee.
- Campaign for fundamental trade union rights, such as the right to join a union and the right to organise.
